Estimated bills and meter readings

If we don't receive meter readings, then we have to estimate how much energy you've used. This could mean your bill might be higher than it should be or you might need to pay more later.

If any of your readings on your bill are shown as estimated, then **please send us your meter readings today** - it's quick and easy online, in our app, or via our 24/7 automated phone line on **0330 054 5340**.
